THE QUAIL MOTORCYCLE GATHERING

PRESENTED BY TUDOR

New Motorcycles and Products to be Unveiled at *The Quail Motorcycle Gathering*

Carmel, Calif. - May 12, 2016 - New motorcycles from Kawasaki, Energica and Indian Motorcycles will be unveiled at *The Quail Motorcycle Gathering* this Saturday, May 14, 2016 at Quail Lodge & Golf Club. In addition to these three motorcycles, various other sponsors will be launching new products and services at the event.

“To have brand new motorcycles and products unveiled at our event is just amazing,” said Gordon McCall, Director of Motorsports at *The Quail*. “Spectators can get an up-close look at some of the oldest and rarest motorcycles in existence and then walk across the grass to lay their eyes on the newest motorcycles that haven’t yet hit the market. This contrast and the diversity of machines on display is what makes this event so special.”

- **Energica Motor Company** will unveil the Energica Eva for the first time in the United States. This Italian-made, all-electric streetfighter comes equipped with an integrated fast charge system. This will be put to the test as the bike goes on a 350-mile trek from Los Angeles to San Francisco, making a stop at *The Quail Motorcycle Gathering*.
- **Kawasaki Motors Corp’s** 2017 Z125 PRO will be making its public West Coast debut at *The Quail Motorcycle Gathering*. This small displacement street motorcycle is designed to welcome new riders with a low price and minimal intimidation.
- **Indian Motorcycle of Hollister** will be showing the latest addition of the **Dark Horse** family, the 2016 Indian Chieftain Dark Horse Stealth Edition. Customized by Indian Motorcycle of Hollister, this special edition bike will be making one of its first public showings at *The Quail*.
- **American Honda Motor Co.** will have the **2016 Africa Twin** on display, accompanied by its 1988 counterpart. The new Africa Twin caused quite a stir among adventure motorcyclists in 2015-2016.
- **Lightning Motorcycles**, maker of the “fastest production motorcycle in the world,” will be unveiling a new technology at the event.
- **SHOEI Helmets** will introduce the SHOEI Professional Fitting Service, a new program only offered at exclusive events.
