Bell, who famously achieved multiple triumphs at the 24 Hours of Le Mans and the 24 Hours of Daytona during a distinguished and hugely varied 40-year racing career, will launch his new autobiography, *Derek Bell: My Racing Life*, in partnership with Bentley Motors at the event. Bell also will be interviewed as a participant in the Fireside Chat series, which debuted at The Quail last year with American racing icon and legendary designer Carroll Shelby.

“Derek Bell has a world-renowned reputation as a leading racecar driver and competitor,” said Gordon McCall, co-founder of The Quail, A Motorsports Gathering. “He is a five-time winner of the 24 Hours of Le Mans, a two-time winner of the World Sportscar Championship and three-time winner of the 24 Hours of Daytona. We are honored to celebrate his storied career and the U.S. launch of his autobiography at this year’s event.”

The ninth annual Quail, A Motorsports Gathering, also will honor *Ferrari America and Superamericas*, a series of top-end models built in extremely limited quantities in the 1950s and 1960s; *the 50th Anniversary of the Jaguar E-Type*, the iconic British marque; and *Sports and Racing Motorcycles*, famous for high speeds and optimum performance. In addition, the event will pay tribute to the *50th Anniversary of Phil Hill’s Formula One World Drivers’ Championship*, the first American F1 champion to clinch the title at Monza in 1961, and the *Riverside International Raceway*, the third track of its kind to be built in the U.S., which heralded in the new era of permanent road racing circuits in the 1950s.

“The Quail, A Motorsports Gathering is a very special event - an intimate day-long celebration of the extraordinary heritage of our automobile industry, together with an exceptional collection of lovingly restored cars and motorcycles,” said The Hon. Sir Michael Kadoorie, Chairman of The Hongkong and Shanghai Hotels, Limited. “The event also showcases gourmet cuisine from around the globe, plus home-grown favorites from Carmel Valley, all accompanied by a selection of the finest wines by Roederer Estate. However - and more meaningfully - the Gathering raises funds for a range of local and national charities, namely the California Highway Patrol 11-99 Foundation, CASA of Monterey County, Rancho Cielo and the American Red Cross Monterey Bay Area Chapter.” Sir Michael added, “Now in its ninth year, this remarkable

annual event celebrates camaraderie and kinship among automobile enthusiasts, car collectors, hobbyists and friends.”

Rare automobiles and motorcycles on exhibit will include 20 racecars from the Jaguar Run Group, which will race to Quail Lodge Golf Club from the nearby Mazda Raceway Laguna Seca, and six of Gary Koh’s motorcycles from his *MV Agusta Collection*, including a *1972 MV Agusta 750S*, one of 215 built between 1969 and 1980 and considered one of the most important motorcycles ever built; and a *1956 175 CSS Squalo Formula Sport*, one of 200 and arguably one of the most spectacular Italian motorcycles ever crafted.

The day will begin with welcome remarks from Sir Michael and a toast featuring 1999 Louis Roederer Cristal Champagne. In addition to admiring a stunning array of motor vehicles, attendees will have the opportunity to get behind the wheel of a number of prestigious automobiles, shop for fine jewelry and enjoy a gourmet journey, all in a garden party setting.
